## **Daytime Lane Closures on Roosevelt Road between Pulaski Road and Western Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Roosevelt Road between Pulaski Road and Western Avenue, in Chicago, beginning, weather permitting, Tuesday, May 31. The closures are necessary for a resurfacing project.

In order to complete the work, Roosevelt Road will be reduced to one lane in each direction from Pulaski Road to Western Avenue during daytime hours. Left turn lanes will be maintained for the duration of the project.

The project is expected to be completed in Summer 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
